

## *International Owl Society* Membership Application

The common annual subscription to the Society is £20 per annum, which is due for payment on the first of April each year. Paid up members of the Society receive a free copy of each issue of our sixteen page quarterly newsletter, Tyto News brief, and an annual forty-eight page house magazine, Tyto. Members joining midway through the membership year will, subject to availability, receive all back issues of Tyto for that year (however, back issues are available to download in the Members Area). The Council of the Society reserves the right to refuse applications for membership from those convicted of dishonesty or malpractice and of anyone whose activities are deemed to be against the objectives of the Society.

For those members who have already paid their membership subscription for the current year at the previous rate of £30.00 we shall, unless we hear to you from the contrary, hold the sum of £10.00 to your credit against the cost your of £20.00 subscription for the membership year beginning 1st April 2014.

Please fill out all details in the form in BLACK CAPITALS, and post your application along with your payment (depending on the payment method you choose) to the Membership Secretary – address provided at the bottom of the application form.
